AFPA Statute

Item 7 -Member societies

- (1) Psychiatric Societies in Asia and Pacific whose goals are in consonance with those of the AFPA are eligible for full membership of AFPA
 - (2) To be considered for admission of as a Member Society, a psychiatric society must be legally recognized at national level and submit an application for admission to the President of AFPA.
 - (3) The decision to admit a Psychiatric Society to the AFPA or terminate its membership can be made by the AFPA Board (by a simple majority of the Board Members present and voting) on the recommendation of the President.
 - (4) There will be no membership dues to become a member of AFPA.
-
